

Our Core Values: “CARE TEAM”

- C***ompassion* We have compassion for those we serve and employ.
- A***adaptability* We have the ability to adapt to situations as they arise.
- R***espect* We respect our clients, we respect our employees, and we are accepting of our differences.
- E***mpathy* We understand and listen to our clients’ point of view and we work with them to problem-solve.
- T***rust* We are honest in our communications and actions, and we have the courage to do what is right.
- E***xcellence* We are committed to providing reliable and valued service to ensure that we are the preferred choice in senior care.
- A***vailability* We are available and we have resources available for our clients, referral sources and employees.
- M***aking a Difference* We have a passion for serving seniors and a desire to make a difference in their lives.
